50 No-Sketch Projects That Bring the Ocean to Life Dana Fox, author of Watercolor with Me In the Forest and founder of Wonder Forest, provides fifty new marine-themed projects in this beginner-friendly watercolor guide. Known for her whimsical art style and straightforward instruction, Dana leads you through three major watercolor techniques wet-on-wet, wet-on-dry, and ink-and-wash. Best of all, there's no sketching required, so you can focus on each painting method. Bring adorable sea creatures like octopuses and otters to life on high-quality art paper. Start simple with shading in a monochromatic orca, experiment with adding depth to color with a bright bobbing seahorse and practice stylizing your subject in a charming lighthouse scene. With inspired art and step-by-step instruction, it's easy to pick up a paintbrush, break out your palette, and create something beautiful. Check out Watercolor with Me in the Forest for more great projects!
