A RIVETING PARANORMAL ROMANCE from USA Today Bestselling author, Dannika Dark. Time is running out... Kane never believed in things like fate or karma. Not until the night he took a life. A secret society of immortals lives within the human world. Kane is one of them--a Sensor who experiences emotional energy through touch. But despite his good looks and easy-going personality, Kane lives a solitary life. Unlike other Sensors, he is unnaturally hypersensitive. Touch brings pain. Fate throws a curveball when a woman's life is placed in his hands. Kane is suddenly faced with making a choice, and each comes with a consequence that will wreck him forever. Time is not on his side. Will she be his salvation, or his ruination?
