Author of the bestselling Darth Vader and Son series (more than 3 million copies sold), Jeffrey Brown, brings his charmingly funny take on the Star Wars galaxy to The Mandalorian! Din Djarin, the terse Mandalorian bounty hunter, travels the galaxy with the adorable Grogu in tow. Whether he is keeping Grogu from messing with the ships controls or stopping him from using the Force to steal extra snacks, Mandos lessons as a caretaker will be instantly fun and recognizable to all families. Browns colorful all-ages style and spin complement the shows gritty milieu while accentuating the sweetness of the found family at the heart of the story. His unexpectedly funny touches and twists, and lighthearted interpretations of favorite characters, including Bo-Katan, Moff Gideon, The Armorer, Luke Skywalker, Ahsoka Tano, IG-11, Peli Motto, and many more, will thrill fans and give them a way to appreciate all three seasons of the show in a whole new way. Grogu became a massive fan favorite, inspiring new toys, merchandise, thousands of pieces of fan art, and an unquenchable desire for the fan-dubbed Baby Yoda. THE PERFECT SUBJECT FOR JEFFREY BROWN The Mandalorians relationship with the child is the perfect playground for Browns charming take on fatherhood. Like Browns Darth Vader, Mando is a brooding, serious, masked character with a dark past, but he opens up to the joys of found fatherhood in the presence of Grogu. Perfect for Fans of the Darth Vader and Son series Star Wars fans with kids of their own
