It's here! The creator of Fairy Tail, manga superstar Hiro Mashima, is back with a high-flying space adventure! All the steadfast friendship, crazy fighting, and blue cats you've come to expect... IN SPACE! Mad at the scientist! Shiki's crew learns the shocking truth behind the destruction of Foresta after confronting Shura and his companions. Xenolith is innocent and the true villain is Miller. It seems that Miller is just as crazy and evil in the current universe as he was in the previous one. Shiki and Shura had to Miller's laboratory to beat some truth out of the mad scientist, but Miller's nowhere to be found and Rebecca has gone missing as well!
