Four classic stories about the most famous nanny in the world, all together in a fabulous new boxed set! Who can slide up banisters, banish naughtiness with a swift Spit-spot, and turn a make-believe sidewalk drawing into a lovely day in the park? Mary Poppins, of course! From the moment the beloved nanny arrives at Number Seventeen Cherry-Tree Lane, everyday life for the Banks family is full of excitement. This box set features four adventures in paperback Mary Poppins, Mary Poppins Comes Back, Mary Poppins Opens the Door, and Mary Poppins in the Park.
