From USA Today and Wall Street Journal best-selling romance author, W Winters, comes a provocative tale of a club designed for wealthy sinners. It's a story crafted for those of us who crave the villain. Declan Cross is powerful, brooding and his dark eyes speak of damage that my soul begs to unravel. I've always been drawn to men who are rough around the edges, the bad guys so to speak... but he's a kind of brutal that scares me. So I promised myself I'd stay away. I swore up and down, I would never give in to the fantasies that haunt me at night. One night changed everything. He knows I witnessed everything that happened. There are no deals or negotiations with men like him. He made it known in no uncertain terms what he desired most... I saw something I shouldn't have. And now I'm his. Kiss Me Twice is book two in the Shame on You Series. Tease Me Once must be read first.
