Vannetta Chapman's Amish Bishop Mysteries series is now available in this special 3-in-1 ebook-only bundle! The three novels in this collection overflow with mystery, suspense, and small-town warmth. Bishop Henry Lapp has a unique gift of memory recall, but he's not sure how this fits in with his calling to love his Amish community and encourage them in the faith. Perhaps God has given him this talent so he can help others by uncovering murderers: *What the Bishop Saw*: A suspicious fire leaves an Amish bachelor dead, an innocent suspect in police custody, and Henry holding the possible key to unlocking the mystery. Will he trust God enough to use his extraordinary talent to help solve the case? *When the Bishop Needs an Alibi*: When a young woman's body turns up at a local wildlife refuge, Henry finds himself embroiled in a mystery that his gift could help unravel. But his involvement may come at a dangerous price to him and those he loves. *Who the Bishop Knows*: A fun day at the rodeo turns deadly, and Henry must rush to solve a crime he didn't witness, rendering his uncanny ability to remember everything he sees useless. Can Henry stop the killer before he strikes again? The Amish Bishop Mysteries 3-in-1 ebook-only bundle offers stories of extraordinary talents, the bonds of love and friendship, and the unfailing grace of God.
