And why do we lead one life and not another? Asle, an ageing painter and widower who lives alone on the southwest coast of Norway, is reminiscing about his life. His only friends are his neighbour,sleik, a traditional fisherman-farmer, and Beyer, a gallerist who lives in the city. There, in Bjrgvin, lives another Asle, also a painter but lonely and consumed by alcohol. Asle and Asle are doppelgngerstwo versions of the same person, two versions of the same life, both grappling with existential questions about death, love, light and shadow, faith and hopelessness. The three volumes of Jon Fosse'sSeptologyThe Other Name, I is Another, and A New Namecollected in for the first time in this limited hardcover edition, are a transcendent exploration of the human condition, and a radically other reading experienceincantatory, hypnotic, and utterly unique.
