"Reclusive billionaire Logan Coltan III has been hounded by the media since his tragic childhood. So he's furious when he catches Cara Doyle, long-lens camera in hand, in the Lapland wilderness where he lives! Wildlife photographer Cara prizes her independence as the only way to avoid risky emotional entanglements. Then an Arctic storm traps her in Logan's luxurious lodge, and there's nowhere to hide from their simmering sexual tension! Arrogant, tortured Logan is everything innocent Cara knows she shouldn't want. But after one reckless night with her enemy, it's all she craves..."--
