The Fedosov Family was all business until Julia Thompson came along. After meeting in a nightclub in America and sharing a passionate kiss, Julia was the last person Demitry Fedosov expected to see in his boardroom back in Russia - especially after she turned down his advances. Julia never been one to let others push her around. She didn't need the complication of a relationship with Demitry, now or in the future. After being sent to Russia on an exchange trip, she was his employee and he was her boss. End of story. Yet she can't stop thinking about his deep gray eyes and the way his 6'6" figure dwarfs her. She feels such an attraction to him, but she knows she must fight it. Demitry is business orientated, reserved, always following in his father's footsteps and way too serious most of the time. He was not used to having women in his business world unless they were secretaries. Julia has made it clear she doesn't want a relationship with Demitry but he can't hold back the feelings he gets when she is around. She was so different to Russian women, and winning her over is turning out to be more challenging than any business deal. The American woman pushed all his buttons, and when his brother, Alexey, starts to flirt with her Demitry feels an overwhelming urge to stake his claim.
