A thorough study of sin, salvation by faith, and the Christians journey of sanctification. He who wants a correct understanding of holiness must first begin by examining the vast and solemn subject of sin. He must dig down very deep if he wants to build high. Wrong views about holiness are generally traceable to wrong views about human corruption. Practical holiness and entire self-consecration to God are not given adequate attention by modern Christians. The unsaved sometimes rightly complain that Christians are not as kind and unselfish and good-natured as those who make no profession of faith. Far too many Christians make a verbal proclamation of faith, yet remain unchanged in heart and lifestyle. But Scripture makes it clear that holiness, in its place and proportion, is quite as important as justification. Holiness, without which no one shall see the Lord (Hebrews 12:14). It is imperative that Christians are biblically and truly holy. The aim of this book is to instruct you, equip you, and encourage you in the pursuit of holiness.
