- 1 New York Times bestselling author Colleen Hoover's glorious and touching (USA TODAY) phenomenon and its long-anticipated sequel are together in this collection that is perfect for new and longtime fans of the evocative story of Lily, Ryle, and Atlas. In the brave and heartbreaking (Anna Todd, New York Times bestselling author) #1 New York Times bestselling TikTok sensation *It Ends with Us*, Lily is overwhelmed with passion for the inflexible and proud Ryle. But her too-good-to-be-true romance is suddenly a lot more complicated when her first love, Atlas, suddenly comes back into her life. Then, in *It Starts with Us*, read Atlas's side of the story as Colleen Hoover explores more of Atlas's past and what comes next for him, Lily, and Ryle.
