Now available individually for the first time, a Kate Daniels novella from the #1 New York Times bestselling author of Magic Triumphs. It isn't often that Kate Daniels and the Beast Lord Curran get to take a break from protecting their pack and enjoy some time for themselves. So when Curran offers Kate a romantic dinner in town, there's no way she's going to pass. But their quiet night doesn't stay quiet for long. The trouble starts with a necromancer dying at a nearby table, continues with bloodthirsty vampires crashing through the windows, and ends with more blood on the walls than any dining establishment needs. Pulled into a deadly game neither wants to play, Kate and Curran find themselves dealing with the vile undead and tolerating a clan of maniacal, hard-partying Vikings while desperately trying to save the life of an innocent child... Magic Gifts previously appeared in Gunmetal Magic.
