Critically acclaimed and bestselling author Linwood Barclay brings terror closer than ever before in a stunning thriller in which murder strikes in the place we should feel safest of all. In a quiet neighborhood, in the house next door, a family is brutally murdered for no apparent reason. You cant help thinking, It could have been us. And you start to wonder What if were next? Promise Falls isnt the kind of community where families are shot to death in their own homes. But how well did Jim and Ellen Cutter really know their neighbors or the darker secrets of their small town? They dont have to look further than their own marriage to know that things arent always what they seem. Now the Cutters and their son, Derek, must face the unthinkable that a murderer isnt just stalking too close to home but is inside it already.
