A beautifully-illustrated story about a girl who longs for magic in her life and learns that, on the inside, she already is what she wishes she could be. This lushly-drawn story has won an Eisner Award and a Harvey Award, and was voted one of the top 10 manga of the year in 2018 by the Japanese manga industry.INTO DISARRAYCoco and Agott spun a well-received spectacle at the Silver Eve procession, but the wonder is quickly dispelled when an enormous terror descends upon the streets of Ezrest. The crowd is thrown into a frenzy, and the Knights Moralis, the King, and the Wise Ones rush forth to keep destruction at bay. Coco turns to Qifrey about Custas and Dagda, but no ones safety can be guaranteed once the intentions of all are laid bare under the starry sky.
