Debra Sennefelder whips up cookies and crime in a delicious new cozy series, perfect for fans of Joanne Fluke and Peg Cochran. Wingate, Connecticut, is famed as one of the top ten shopping destinations in the state, and home to Mallory Monroes beloved Cookie Shopa place where patrons are greeted with the heavenly aroma of freshly baked cookies that are as beautifully decorated as they are insanely delicious. But things arent going so smoothly for Mallory. Her two employees are a disaster in the kitchen, she catches her boyfriend with another woman, and shes seen having a fierce argument with food blogger Beatrice Wright, who accuses Mallory of stealing her cookie recipe. Then Beatrice turns up dead in her kitchen, flour outlining her body and a bloodied marble rolling pin nearby. Mallory immediately becomes suspect number one, her sales plummet, and she desperately tries to clear her namebut thats not the only murder the killer is baking up. Debra Sennefelder has cooked up a perfect recipeendearing characters, a picture-perfect evocation of small-town life, and a quaint sweets shop. And just when things get a little too comfy, theres always a murder or two for good measure.
