What's a millionaire bachelor to do? Join the army--with his butler--of course.Meet Captain Willard Phule and his company of misunderstood misfits. Together, they've taken space by storm--and left a tradition of zaniness and laughter in their wake...Desperate to kick Phule out of the Space Legion, General Blitzkrieg sends a crack team of environmental investigators--including celebrity canine Barky the Environmental Dog--to sniff out Phule and his unnatural disasters.It doesn't take long. Phule is hosting a group of big-game hunters who think they can bag a dinosaur on Zenobia. Needless to say, dinosaurs are not a native species. But cold, hard facts never stopped a Phule...And neither will Barky's cold, wet nose. tags:
