ISBN 9781637440001. "1129935070" A Dead Man and Doggie Delights "This book has everything that makes it a good cozy. Light romance, devoted dog person, curious protagonist, and a mystery."When Maggie May Carver moved to Baker Valley, Colorado she wanted two things: to open a dog barkery with her best friend, and to take care of her aging grandpa.But when her grandpa is accused of murder--a crime he may well have committed--Maggie finds herself in the role of amateur detective.With her faithful Newfie, Miss Fancypants, at her side, Maggie is determined to find the real killer and clear her grandpa's name.Assuming he isn't the real killer, that is.This is the regular print edition of this book. A large print edition is available under ISBN 9781637440001. 9.99 In Stock
