The latest irresistible cozy mystery with recipes from a bestselling author that fans of Kathi Daley, Laura Childs, and Jessica Beck will eat up, crumbs and all . . . When The Cookie Jar becomes the setting of a star-studded TV special about movies filmed in Minnesota, Hannah hopes to shine the spotlight on her bakery not the unsavory scandal swirling around her personal life. But that's practically impossible with a disturbing visit from the shifty character she once believed was her one and only love, a group of bodyguards following her every move, and a murder victim in her bedroom. Now, swapping the crime scene in her condo for her mother Deloress penthouse, Hannah and an old flame team up to solve a case that's messier than an upended chocolate cream pie. As suspects emerge and secrets hit close to home, Hannah must serve a hefty helping of justice to an unnamed killer prowling around Lake Eden . . . before someone takes a slice out of her! Features Over a Dozen Cookie and Dessert Recipes from The Cookie Jar! Hannah's fans will relish following Hannah's journey as she heals and becomes stronger, surrounded by the love of family and the many familiar, quirky residents of Lake Eden. Booklist
