The classic coming-of-age novel about a young Chinese woman torn between Eastern and Western cultures by the Nobel Prizewinning author of The Good Earth. Kwei-lan is a traditional Chinese girl taught by her mother to submit in all things, as a flower submits to sun and rain alike. Her marriage was arranged before she was born. As she approaches her wedding day, she is surprised by one aspect of her anticipated life: Her husband-to-be has been educated abroad and follows many Western ideas that Kwei-lan was raised to reject. When circumstances push the couple out of the family home, Kwei-lan finds her assumptions about tradition and modernity tested even further. East Wind: West Wind is a sensitive, early exploration of the cross-cultural themes that went on to become a hallmark of Buck's acclaimed novels. This ebook features an illustrated biography of Pearl S. Buck including rare images from the author's estate.
