A story about a poor boy swept away by a kind library mage and the (literal) magic of reading, Magus of the Library is a beautifully-drawn, spirited fantasy adventure, like a Fullmetal Alchemist for all ages! Ages 13 and up. Theo has passed the exam to become a kafna and has begun his apprenticeship in the great library of Aftzaak. Kind and talented, Theo is friendly to everyone. Yet, one of his classmates, Aya Guunjoh, regards him as her enemy, for reasons unbeknownst to all but her. Will Theo's love of books and innate genius be enough for him to overcome this challenge?
