Joshua Wilson, an up-and-coming movie star, is turned off by the idea of marriage. His Oscar-winning smile and breakout role in the summer's hottest romantic comedy bring in enough attention to satisfy Joshua's cravings for the spotlight not to mention the never-ending supply of willing women. Joey Mitchell is down in the dumps after finding out that her fiancé cheated on her with her best friend, and is living at home with her parents until she can get back on her feet. Without Joey's knowledge, her overbearing and neurotic mother submits an application for her to appear on the reality show, Married Blind. When the producers surprise her with the news that they have cast her, Joey wants nothing to do with the show but agrees to participate because, at this point in her life, she really has nothing to lose. Lights, camera, action... Welcome to another season of Married Blind. Contestants are about to take the plunge, but only one couple will come out of the house winners!
