Journey deep into the Scottish Highlands in the first memoir by #1 New York Times bestselling author and award-winning star of Outlander, Sam Heughan exploring his life and reflecting on the waypoints that define him I had to believe, because frankly, I had come so far there could be no turning back. In this intimate journey of self-discovery, Sam sets out along Scotlands rugged ninety-six-mile West Highland Way to map out the moments that shaped his views on dreams and ambition, family, friendship, love, and life. The result is a love letter to the wild landscape that means so much to him, full of charming, funny, wise, and searching insights into the world through his eyes. Waypoints is a deeply personal journey that reveals as much about Sam to himself as it does to his readers.
