Fighting alongside the Corellian rebels, Han and Leia are locked in a war against their son Jacen, who grows more powerful and more dangerous with each passing day. Nothing can stop Jacens determination to bring peace with a glorious Galactic Alliance victorywhatever the price. While Luke grieves the loss of his beloved wife and deals with his guilt over killing the wrong person in retaliation, Jaina, Jag, and Zekk hunt for the real assassin, unaware that the culprit commands Sith powers that can cloud their minds and misdirect their attacksand even turn them back on themselves. As Luke and Ben Skywalker struggle to find their place among the chaos, Jacen, shunned by friends and family, launches an invasion to rescue the only person still loyal to him. But with the battle raging on, and the galaxy growing more turbulent and riotous, theres no question that it is Jacen who is most wanted dead or alive.
