From USA Today bestselling author Kelly Rey comes a laugh-out-loud mystery that is so funny it should be a crime... Jamie Winter loathes her job as a secretary in the sleaziest law firm in New Jersey. Trouble is, someone else loathes the whole firm-enough to kill one of the partners, the two-timing, eleven-fingered king of lowbrow television commercial spots, Dougie Digits. Now, Jamie is being strong-armed into investigating by Dougie's frosty widow, Hilary. The suspect list is long, including the firm's bookish paralegal, embezzling bookkeeper, ambitious associate, and resentful senior partners. Add to that list a mrange of oddball clients with grudges of their own, and Jamie has her work cut out for her. With assists from her studly landlord and husband-hungry sister, Jamie uncovers enough dirt on her coworkers to launch a tabloid in her hunt to find the killer...before he or she strikes again! What critics are saying: " Page turner deluxe...with a hint of the next adventure! Brilliant fun!" Kings River Life Magazine "Rey delivers an impressive, well-plotted and well-written treat that leaves readers eager to whet their appetite with all of Jamie Winters' wacky investigations!" Long Island Book Reviews " It was fun & exciting...a fun story & I look forward to reading more from this series." Night Owl Reviews
