He has nothing and everything to loseWhen a seventeen-year-old boy goes missing while camping with his buddies in the Chisos Mountains in Big Bend, the case is right up PI Charlie Dodges alley. Charlies reputation for finding missing people especially missing kidsis unparalleled. Unfortunately, trouble seems to be equally good at finding him.Charlies still in the thick of it when bad news arrives regarding his wife, Annie, whose early onset Alzheimers is causing her to slip further and further away. The timing couldnt be worse. Thankfully, Charlies ride-or-die assistant, Wyrick, has his back. But when Universal Theorem, the shadowy and elusive organization from Wyricks past, escalates its deadly threats against her, it pushes both partners past their breaking points. Finding people is one thing; now Charlie will have to fight to hold on to everyone he holds dear.
