A woman confronts her past with the help of the man she loves in this emotional mystery from the New York Times bestselling author. Abandoned as a little girl and bounced from foster home to foster home, photojournalist Tory Lancaster has finally found someone to love in Brett Hooker, an investigator for the Oklahoma County District Attorneys Office. Then Tory takes a photo that triggers memories she didn't know she had. The old man she spots standing in the crowd, with his distinctive tattoo, sets off nightmares and glimpses of a past she refused to remember. When her dark thoughts start taking over, Brett is her lifeline to sanity. With his help she might be able to face her past, but her journey to remembering might just tear them apart... A gripping exploration of the way the past shapes the future, Sweet Baby is an amazing journey into the psyche of a scarred woman and [Sala] delivers a hero any woman would want standing by her through thick and thin (RT Book Reviews).
