From New York Times bestselling author R. A. Salvatore, the legendary creator of Drizzt DoUrden, comes Child of a Mad God, the first novel in the epic fantasy series, The Coven. When Aoleyn loses her parents, she is left to fend for herself among a tribe of vicious barbarians. Bound by rigid traditions, she dreams of escaping to the world beyond her mountain home. The only hope for achieving the kind of freedom she searches for is to learn how to wield the mysterious power used by the tribes coven known as the Song of Usgar. Thankfully, Aoleyn may be the strongest witch to have ever lived, but magic comes at price. Not only has her abilities caught the eye of the brutish warlord that leads the tribe, but the demon of the mountain hunts all who wield the Covens power, and Aoleyns talent has made her a beacon in the night.
