Calling all fans of myths, action-adventure, and the Percy Jackson series - don't miss this first book in the Blackwell Pages trilogy from bestselling authors K.L. Armstrong and Melissa Marr. While thirteen-year-old Matt Thorsen has always known he's a modern-day descendent of Thor, he's been living a normal kid's life. In fact, most people in the small town of Blackwell, South Dakota, are direct descendants of either Thor or Loki, including Matt's classmates Fen and Laurie Brekke. No big deal. But now Ragnarok is coming, and it's up to the champions to fight in the place of the long-dead gods. Matt, Laurie, and Fen's lives will never be the same as they race to put together an unstoppable team, find Thor's hammer and shield, and prevent the end of the world. In their middle grade debut, bestselling authors K.L. Armstrong and Melissa Marr begin the epic Blackwell Pages series with this action-packed adventure, filled with larger-than-life legends, gripping battles, and an engaging cast of characters who bring the myths to life.
