An intense forced-proximity story with an enigmatic Viking stranger. Stranded in the Arctic with a lone-wolf Viking! Lost in the remote wilderness in a snowstorm, Embla is rescued by local Wildman Runar and taken to his cabin with just one bed! But as he warms her icy body with his, passion inflames them both. She's been warned against this man her entire life but as she realizes she could be stranded with him for weeks, it seems her only option is to trust him and their intense attraction! From Harlequin Historical Your romantic escape to the past.
