A classic, breathtaking adventure brimful of dangerous magic and clever politics. Tasha Suri, author of *The Jasmine Throne*, Loyalties are tested and nations clash in the second novel of a fresh epic fantasy series bursting with adventure, intrigue, ambition, and deadly magic. Ryxander, the Warden of Gloamingard, has failed. Unsealed by her blood, the Door hidden within the black tower has opened. Now, for the first time since the age of the Graces, demons walk the world. As tensions grow between nations, all eyes and daggers are set on Morgrain, which has fallen under the Demon of Discords control. When an artifact with the power to wipe out all life in a domain is stolen, Ryx will do whatever it takes to save her home from destruction. But success may demand a larger sacrifice from Ryx than she could have imagined. Praise for *Rooks and Ruin* Block out time to binge this cant-stop story filled with danger and unexpected disaster. From the fresh take on time-honored tropes to a crunchy, intrigue-filled story, *The Obsidian Tower* is a must-read for lovers of high fantasy. C. L. Polk, World Fantasy award-winning author of *Witchmark* This is a truly excellent fantasy and an epic beginning for a new trilogy. Locus *Rooks and Ruin* *The Obsidian Tower* *The Quicksilver Court* *The Ivory Tomb* For more from Melissa Caruso, check out *Swords and Fire* *The Tethered Mage* *The Defiant Heir* *The Unbroken Empire*
