The vivid story of twenty-four hours in the real and remembered lives of a brother and sister living in Gaza and separated from their family. Ghassan Kanafanis writings are among the most influential in modern Palestinian literature. In his novels, short stories, and plays, he explores complex political questions encased in beautiful narratives and lyrical prose. All That's Left to You presents the vivid story of twenty-four hours in the real and remembered lives of a brother and sister living in Gaza and separated from their family. The desert and time emerge as characters as Kanafani speaks through the desert, the brother, and the sister to build the powerful rhythm of the narrative. The Palestinian attachment to land and family, and the sorrow over their loss, are symbolized by the young mans unremitting anger and shame over his sisters sexual disgrace. This remarkable collection of stories provides evidence to the English-reading public of Kanafanis position within modern Arabic literature. Not only was he committed to portraying the miseries and aspirations of his people, the Palestinians, in whose cause he died, but he was also an innovator within the extensive world of Arabic fiction.
