Both exciting and meditative, the simple art of outwitting a fish has evolved into a much-loved sport. Whether you're a beginner or a seasoned angler, this illustrated manual will help you polish up your fishing talents. Featuring detailed tactics and techniques for fishing for both freshwater and saltwater species, and explaining the anatomy, behavior, and habitat of fish from all over the world, Fishing gives you everything you need to improve your float, ledger, lure, and fly skills. The guide goes beyond other books on fishing to cover strategies for fly fishing, coarse fishing, and game fishing. A lavishly illustrated gazetteer, complete with maps and information on best seasons and hot spots, shows you the best places on Earth for fishing experiences. Helpful notes on choosing the right kit, tackle, clothing, and accessories help you prepare to be perfectly poised for a memorable affair with nature. With authoritative explanatory text as well as clear, detailed photography, Fishing is an invaluable aid for keen anglers everywhere.
