Shakespeare meets Bridgerton in this witty and lively marriage-of-inconvenience romance. As far as William Easton the Duke of Blackheath is concerned, love can go to the devil. Why would a man need passion when he has wealth, a stately home, and work to occupy his mind? But no one warned him that a fiery and frustratingly strong-willed activist like Lady Beatrice Haven could find a way to get under his skin...and that he might enjoy it. Lady Beatrice is determined to never marry. Ever. She would much rather fight for the rights of women and provoke the darkly handsome Duke of Blackheath, even if he does claim to be forward-thinking. After all, duke even gorgeous ones are the enemy. So why does she feel such enjoyment from their heated exchanges? But everything changes when Beatrice finds herself suddenly without fortune, a husband, or even a home. Now her future depends on the very man who sets her blood boiling. Because in order to protect his esteemed rival, the Duke of Blackheath has asked for Beatrice's hand, inviting his once-enemy into his home...and his bed.
