This summers sweetest confection is J.C. Cervantes The Enchanted Hacienda. This book is like dipping your brain into a jar of serotonin. New York Times Book Review This is a contemporary coming-of-age story, with a sprinkling of magic, thats one of my most anticipated reads of the year. Emily Henry, #1 New York Times bestselling author, in Elle Magazine When Harlow Estrada is abruptly fired from her dream job and her boyfriend proves to be a jerk, her world turns upside down. She flees New York City to the one place she can always call home the enchanted Hacienda Estrada. The Estrada family farm in Mexico houses an abundance of charmed flowers cultivated by Harlows mother, sisters, aunt, and cousins. By harnessing the magic in these flowers, they can heal hearts, erase memories, interpret dreams but not Harlow. So when her mother and aunt give her a special task involving the familys magic, she panics. How can she rise to the occasion when she is magicless? But maybe its not magic shes missing, but belief in herself. When she finally embraces her unique gifts and opens her heart to a handsome stranger, she discovers shes far more powerful than she imagined. With unforeseen twists, romance, and a heavy sprinkle of magic, The Enchanted Hacienda is a captivating coming-of-age debut exploring identity, unconditional family love, and uncovering the magic within us all.
