Finding a man should be simple, especially when you aren't expecting romance! Lucy Lang wants a husband. She's not looking for anyone special, just someone decent and reliable but definitely not a man she'll fall in love with. A young widow, Lucy already loved and lost her soulmate, and she doesn't want to risk that kind of heartbreak again. But sick of being lumped in with her cursed Black Widow aunts, Lucy is motivated to give up her casual and completely inappropriate relationship with Ethan Mirabelli, her handsome neighbor, and search for something more dependable. Having been friends with Lucy for years, Ethan knows what she needs better than anyone else and that's him. But convincing her that their relationship is more than a friends with privileges arrangement will be a long, complicated process. Luckily, Ethan has always been patient. Previously published
