But can we choose who we become? In present-day California, Eleanor Bennetts death leaves behind a puzzling inheritance for her two children, Byron and Benny. A black cake, made from a family recipe with a long history, and a voice recording. In her message, Eleanor shares a tumultuous story about a headstrong young swimmer who escapes her island home under suspicion of murder. The heartbreaking tale Eleanor unfolds, the secrets she still holds back, and the mystery of a long-lost child challenge everything the siblings thought they knew about their lineage and themselves. Will their mothers revelations bring them back together or leave them feeling more lost than ever? Deeply evocative and beautifully written, *Black Cake* is an extraordinary journey through the life of a family changed forever by the choices of its matriarch.
