Cardcaptor Sakura brought a generation of readers to manga, and now it's back in a definitive collector's edition! Cardcaptor Sakura is one of the all-time classics of the magical girl genre, and the Collector's Edition will be the definitive version of the story, for both long-time fans and readers new to the story. The adventures of the plucky Sakura Kinomoto are as adorably thrilling as ever, as she tracks down the magical Clow Cards and plunges headlong into a world of sorcery beyond anything she could've imagined.
