Judy gets a taste of her own medicine in a hilarious episode sure to tickle your funny bone and put you in a very Judy Moody mood! Judy Moody is in a medical mood! It's no secret that Judy wants to be like Elizabeth Blackwell, first woman doctor, when she grows up. So when Class 3T starts to study the Amazing Human Body, Judy can hardly wait to begin her better-than-best-ever third-grade projects show-and-tell with something way rarer than a scab, an ooey-gooey operation, and a cloning experiment that may create double trouble for Judy and her friends. RARE!
