ISBN-13: 9781684429769

A farcical biography of Ulysses S. Grant, *You, Me, and Ulysses S. Grant* is a history lesson disguised as an uproarious novel. Spanning from Grant's birth until his victory over the Confederacy, *You, Me, and Ulysses S. Grant* gives us an honestwarts and all portrait of a relatable American hero who wrestled with the same domestic divisions that were dealing with today. But what makes this book truly special is in its playful, disruptive postmodernism and the characteristically Brad Neely, campy voice of its narrator. The book examines the validity of biography by hilariously breaking all the form's rules. Through his humor, Neely brings Ulysses S. Grant to life. And in bringing Grant to life, Brad Neely has created his greatest cult classic yet. Taking the accessible, pop history of *Coe's You Never Forget Your Firsthand* adding more of the nerdy, punk humor of Rainn Wilson or Judd Apatow, *You, Me, and Ulysses S. Grant* is for both history and humor readers alike. Though undeniably funny, the book forces us into an urgent discussion of how much progress we've really made since the Civil War and the costs were willing to pay to see justice. *You, Me, and Ulysses S. Grant* removes the pomp to deliver a hopeful message of human potential, that the heroes we now venerate were also flawed, flesh and blood individuals and that us, too, are never too small to achieve great things.
