An ancient evil is rising... The Herald of the Hunt has returned, and with him the Slayers are one step closer to destroying Kaylee and the rest of the dragon-kin. Worse, Kaylee is attacked by a dragon. An actual dragon. The kind that shouldn't exist. Something-or someone-is forcing innocent dragon-kins to permanently shift against their will. With the arrival of a powerful creep interested in romancing her, Kaylee's own kinda-sorta romance growing with Edwin, and Jade's brutal Tamer test, a mystery is one more thing Kaylee doesn't need right now. But when Jade's test goes disturbingly wrong, Kaylee follows after, determined to find her. What she discovers instead is a Slayer plot more dangerous than she could have imagined. One that promises to end her and her friends for good. Dragon's Bane is the third book in the complete YA fantasy Heir of Dragons series. If you like snarky, fast-paced fantasies full of dragon shifters, twisting mysteries, and a slow-burn romance, this series is for you
