This sweet interactive book encourages toddlers to lift the flaps for soft, fuzzy, squeaky, and adorable kisses. With flaps to lift, a squeaker to press, and a peek-at-yourself mirror at the end, this touchable, smoochable book is loaded with fun, surprises, and, of course, plenty of kisses. Peekaboo! What's hiding behind those paws? Why, it's something woolly, something fluffy, something fuzzy, and something squeaky . . . a colorful menagerie of playful animals, each eager to be covered with kisses. From the author of Animal Kisses and Baby Animal Kisses, Peekaboo Kisses will be a go-to book to pull from your nursery shelf.
