Bridgmans classic, essential guide1,000+ drawings and 22 expert lessons on mastering the human figure from every angleBridgmans Complete Guide to Drawing from Life combines six well-known books by celebrated artist and lecturer George A. Bridgman, who taught figure and anatomy drawing at New York Citys Art Students League. This fifth edition preserves Bridgmans comprehensive, unequalled lessons and original sketches but repackages it with a new eye-catching cover that distinguishes it from the competition. In addition, the interior art has been cleaned and the design freshened in two-color. In its sleek new format, this authoritative volume is sure to continue as one of the premier figure-drawing publications of all time.
