From Ronald H. Balson, author of Once We Were Brothers, Saving Sophie is the powerful story of the lengths a father will go through to protect his daughter and an action-packed thriller that will take you on an unforgettable journey of murder and deception, testing the bonds of family and love. Jack Sommers was just an ordinary accountant from Chicago-that is, until his wife passed away, his young daughter was kidnapped, and he became the main suspect in an \$88 million dollar embezzlement case. Now Jack is on the run, hoping to avoid the feds long enough to rescue his daughter, Sophie, from her maternal grandfather, a suspected terrorist in Palestine. With the help of investigative team Liam and Catherine, and a new CIA operative, a secret mission is launched to not only rescue Sophie but also to thwart a major terrorist attack in Hebron. But will being caught in the crossfires of the Palestine-Israeli conflict keep their team from accomplishing the task at hand, or can they overcome the odds and save countless lives, including their own?
