An acclaimed anthology receives a new design and cover! Award-winning writer, historian, and civil rights activist Dr. Maya Angelou is a true American icon. Twenty-five of her finest poems capture a range of emotions and experiences, from the playful Harlem Hopscotch to the prideful Me and My Work to the soul-stirring Still I Rise. Award-winning artist Jerome Lagarrigue masterfully illustrates each verse, and renowned academic Dr. Edwin Graves Wilson, a longtime colleague of Dr. Angelou, has written the book's introduction, introductions to the poems, and annotations.
