Sexy and outrageous humor heat up this fun fantasy from the New York Times bestselling author of the Scarred Earth Saga (Romantic Times). I know what they see when they look at me. The charming, soft-spoken dragoness bred from the most powerful of royal bloodlines. A disguise stronger than any battle shield that allows me to keep all suitors at tails length. A technique that's worked until him. Until Ragnar the Cunning, handsome barbarian warlord and warrior mage from the desolate Northlands. Unlike those who've come before him, he does not simply submit to my astounding charm and devastating smile. Instead, he dismisses me as vapid, useless and, to my great annoyance, rather stupid! Yet I'll allow no male to dismiss me. Soon he'll learn my worth, my many skills, and the strength of my will. For this one challenges me enough to make me want to ruthlessly taunt him, tease him and, finally, when the trap is set, bring him to his knees. Praise for the Dragon Kin Series Aiken's patented mix of bloodthirsty action, crazy scenarios and hilarious dialogue have made this series a truly unique pleasure. RT Book Reviews (4 Stars) A chest thumping, mead-hall rocking, enemy slaying brawl of a good book. All Things Urban Fantasy Laugh-out-loud funny! I loved it! Thea Harrison, New York Times bestselling author
