Introduce children to the numbers 1 through 20 and the early concept of counting with this interactive trace-and-flip board book featuring bright and bold illustrations! This unique, innovative trace-and-flip book offers an engaging new way for children to discover numbers 1 through 20 and learn to count! Young readers can trace each number by following the tracks with a finger to become familiar with its shape. This engaging board will help children: · Learn the numbers 1–20 and how to write them as they trace · Count up to 20 with helpful illustrations of objects that correspond to each number · Practice hand eye coordination as they lift the flap on each page · Keep entertained on road trips and airplane rides! To reinforce learning, caregivers are encouraged to help children trace each number and count each of the items on each page.
