As seen on The Ingraham Angle! As heard on Hannity Radio! As seen on Tucker Carlson ! The explosive book that tells bold and uncomfortable truths about the Democratic party—using historical fact, current events, and Biblical principles to build to a shocking conclusion. Vince Ellison is America's most fearless truth teller. Agree or disagree with his thesis, open-minded readers must grapple with the persuasive power of his arguments, his mastery of facts, and his passionate love for mankind and our Creator. As a young man, Ellison began his career in the belly of the beast—as a prison guard working in the worst cellblock imaginable—the one housing mass murderers, rapists, child molesters, and others who would never be released, and whose crimes would never be redeemed in this world. Vince Ellison saw the face of evil up close. He knows it like few of us ever could. And it was to his dismay and sadness that he has seen that same evil later in life. This time, not in the faces of hardened, incarcerated criminals. But rather in the eyes of the leaders of the Democratic party. In this stunningly persuasive work, Vince marshals his own experience and couples it with a learned and original analysis to conclude that the leaders of America's "progressive" party aren't just wrong on their policy stances—they are deliberately and intently destructive. Ellison painstakingly dismantles the twenty-five lies underlying Democratic policies and arguments, and provides readers with the tools they need to understand and refute these myths and deceptions. Finally, Ellison implores his fellow Americans and Christians to open their eyes to the damage being done to the nation's heart and soul in the name of progressivism.
