In award-winning author Susan Hill's electrifying *A Change of Circumstance*, Simon Serrailer finds himself in devastating new territory as a sophisticated drug network sets its sights on Lafferton. Detective Chief Superintendent Simon Serrailer has long regarded drug ops in Lafferton as a waste of time. The small-time dealers picked up outside the local high school can't or won't turn in any valuable names, so they're merely given a fine and the trail runs cold. But when the body of a 22-year-old is found in neighboring Starley, the case pulls DCS Simon Serrailer into the underbelly of an elaborate drug operation that moves narcotics from the cities into the suburbs and right down to villages. The foot soldiers? Vulnerable local kids like Brookie and Olivia, whose involvement gives Simon a bitter taste of this new landscape. It's a harsh winter in Lafferton, and with struggles both at home and on the job, DCS Serrailer soon learns that even the familiar can hold shocking surprises... Dark, page-turning, and rich in mood and character, Susan Hill's *A Change of Circumstance* lands brilliantly as another gripping entry to the Serrailer canon, sure to enthrall fans and newcomers alike. "Modern crime writing with a dark, fierce edge." — Daily Mail
