Just back from a tour of duty, all Major Brant Western wanted was a hot meal and a warm bed. What he didn't need was the stunning socialite in disguise who'd just shown up at his family's Cold Creek ranch. Scandal trailed bad girl Mimi Van Hoyt—aka "Maura"—everywhere she went. But once Brant discovered her secret, how could he turn her away? Being stranded in the middle of nowhere in a blizzard was not Mimi's idea of a fun time in the Tetons. Then why was she starting to think this sexy soldier could be more than her shelter from the storm? And the more determined Brant was to protect her and her unborn child, the more she believed that this honorable, irresistible military man was the only man for her.
